# Correction to: Bivariate hydrologic risk analysis for the Xiangxi River in Three Gorges Reservoir Area, China

Y. R. Fan<sup>1\*</sup>

**Correction to: Environmental Systems Research (2022) 11:18**

<https://doi.org/10.1186/s40068-022-00264-6>

There has been an update on the Competing interests disclosure: Y. R. Fan is on the board of Environmental Systems Research.

Following the publication of the original article [1], it was noted that one of the authors was an editorial board member of the journal at the time of the submission of the manuscript and therefore it should have been declared as a non-financial interest in the ethics

declarations. The correct competing interest statement is given below.

## Competing interests

Y. R. Fan is an editorial board member of *Environmental Systems Research*.

The author has no further conflicts of interest to declare.

Published online: 17 June 2023

## Publisher's Note

Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
